

**Draft Programme**

**Picking up the pace on sustainability strategies to achieve a greener NHS**

<b>Intro Video</b>	Chair: Alastair McLellan, Editor, HSJ
<b>10:00 – 10:30</b>	<p><b>Assessing the climate health emergency and current state of play</b></p> <p><i>While priorities have shifted to the covid-19 response, environmental sustainability remains a systemic issue. What can we learn from the pandemic, and can the system establish a new normal of increased resilience in the face of disruption?</i></p> <p><i>Hear from healthcare leaders on where to focus your sustainability efforts for the biggest impact in the national push towards a greener NHS.</i></p> <p>Chaired by Alastair McLellan, Editor, HSJ</p> <p>Panellists include:</p> <p><b>Fiona Daly</b>, National Sustainability and EFM Workforce Lead, <b>NHS England &amp; NHS Improvement</b></p> <p><b>Nick Watts</b>, Executive Director, <b>Lancet Countdown</b> and Chair, <b>NHS Net Zero Expert Task Force</b></p> <p><b>Dame Jackie Daniel</b>, Chief Executive, <b>Newcastle Upon Tyne Hospitals NHS Foundation Trust</b></p> <p><b>Sonia Roschnik</b>, International Climate Policy Director, <b>Health Care Without Harm</b></p>
<b>10:30 – 10:40</b>	<b>Live Q&amp;A</b>
<b>10:40 – 10:55</b>	<b>Short break and session change</b>
<b>10:55 – 11:25</b>	<p><b>Working towards a greener NHS estate</b></p> <p><i>The NHS is responsible of over 5% of the UK's carbon footprint, and has fallen behind other sectors when it comes to response and reducing environmental impact. Across the estate, there are a number of key areas to tackle including energy consumption, single-use plastic, water usage, fuel and waste.</i></p> <p><i>Hear the debate around the scale of the challenges at hand and learn about some "quick wins" and initiatives implemented within the NHS to reduce their negative environmental impact, that you can look to take on board yourself, to drive towards a greener NHS.</i></p> <p><i>In association with NHS Property Services</i></p> <p>Chaired by Alastair McLellan, Editor, HSJ</p> <p>Panellists include:</p> <p><b>Fiona Daly</b>, National Sustainability and EFM Workforce Lead, <b>NHS England &amp; NHS Improvement</b></p> <p><b>Cameron Hawkins</b>, Head of Energy and Environment, <b>NHS Property Services</b></p>
<b>11:25 – 11:35</b>	<b>Live Q&amp;A</b>

<b>11:35 – 11:50</b>	<b>Short break and session change</b>
<b>11:50 – 12:20</b>	<p><b>Defining and executing your Green Plan/Sustainable Development Management Plan</b></p> <p><i>Hear from the most sustainably progressive trusts on steps being taken to meet the net zero carbon target, and where your organisation should focus its efforts in creating an effective Sustainable Development Management Plan.</i></p> <p><i>In association with Boehringer Ingelheim</i></p> <p>Chaired by Alastair McLellan, Editor, HSJ</p> <p>Panellists include:</p> <p><b>Uday Bose</b>, Managing Director, <b>Boehringer Ingelheim</b></p> <p><b>James Dixon</b>, Head of Sustainability, <b>Newcastle Upon Tyne Hospitals NHS Foundation Trust</b></p> <p><b>Chris Long</b>, Chief Executive, <b>Hull University Teaching Hospitals NHS Trust</b></p>
<b>12:20 – 12:30</b>	<b>Live Q&amp;A</b>
<b>12:30 – 12:45</b>	<b>Short break and session change</b>
<b>12:45 – 13:15</b>	<p><b>Delivering the NHS's first ever green health building</b></p> <p><i>NHS England has just given the go ahead for one of the most energy efficient buildings in the NHS, Foleshill Primary Health Centre in Coventry. It will be the greenest building of its type in the UK and will be certified to the Passivhaus standard.</i></p> <p><i>Community Health Partnerships (CHP) and Coventry and Rugby CCG are jointly delivering the project and you can hear from them about the health and environmental benefits of the approach, its modular off-site construction and how it will improve facilities for patients and clinicians while reducing emissions and costs, freeing up more money for healthcare.</i></p> <p><i>In association with CHP</i></p> <p>Chaired by Alastair McLellan, Editor, HSJ</p> <p>Panellists include:</p> <p><b>Jamie Andrews</b>, Investment Director, <b>CHP</b></p> <p><b>Julian Humphreys</b>, Programme Manager, <b>CHP</b></p>
<b>13:15 – 13:25</b>	<b>Live Q&amp;A</b>
<b>Closing remarks and end of live sessions</b>	

# HSJ SUSTAINABILITY VIRTUAL EVENT

Picking up the pace on sustainability strategies to  
achieve a greener NHS

**Wednesday 19 August 2020 | 10:00am – 1:30pm BST**

## **On demand session**

### **Optimising patient pathways to achieve a sustainable system and improved carbon footprint**

*With a rapid increase in virtual consultations and digital interfacing in the current environment, the focus on reducing travel associated with hospital and GP appointment attendance and home visits is stronger than ever.*

*5% of road traffic in England is attributed to NHS-related travel, which is responsible for 13% of the NHS carbon footprint. Hear about the impact of pathway adherence and digital patient support on the carbon footprint, with transferable ideas to implement across your system.*

Panellists include:

**Fiona Adshead**, Chair, **Sustainable Healthcare Coalition**

**Tom Gausden**, Senior Business Manager, **Patients Know Best**
